Trouble Shooting History

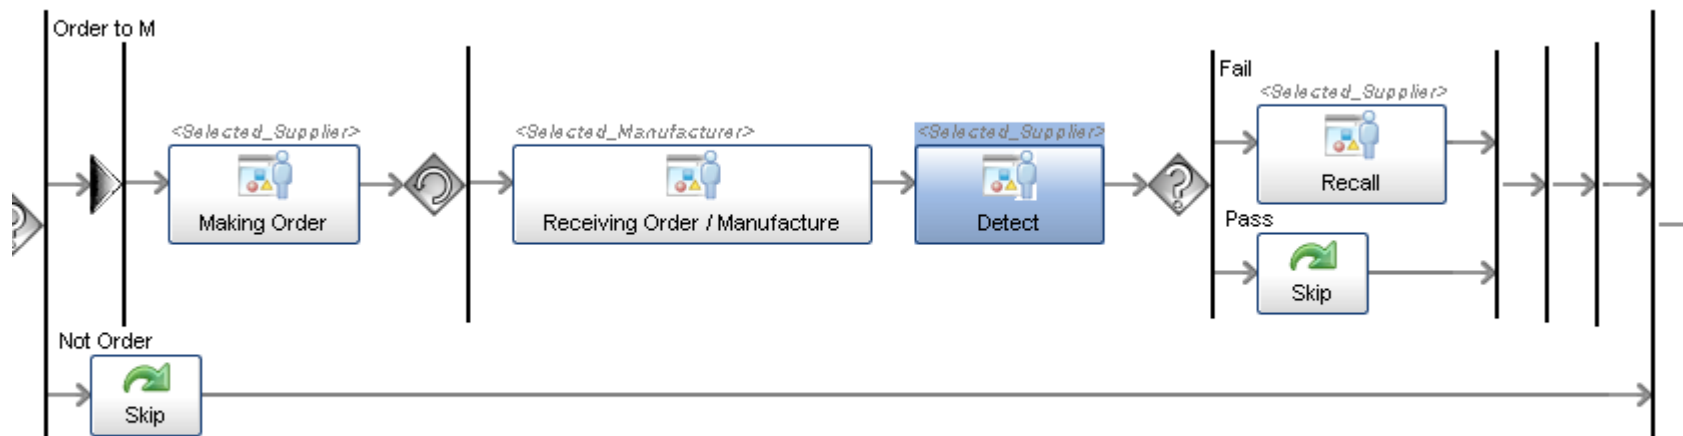

- We can't get any idea about using DB which would be applied to execution.
- English version is more detailed than Korean version.
- We don't need to explain.
- What the hell is this?
- We try to find solutions to solve the problem which is occurred when we extract quote excel files from the system
- The solution is Using Firefox Browser!!. IE6.0 and IE7.0 is not available.

What we've done Designing Feature

1. Defect Detection Process
